# Chat from the Chair…

Having said last month, that a group of us were leaving for a weeks laning in Wales. Now, a month later and just about dried out back to the normal way of life. Arrived at our first campsite in North Wales around mid-afternoon, luckily managed to set camp before the rain started, but it wasn't long coming and that was the weather for the majority of the trip. Rob Heather trailed his Series 2 88" and had a smile on his face the whole week as it completed lane after lane without any hiccoughs. Apart from holing one tyre beyond repair. We all mucked in to change wheels on probably the wettest day of the week. Second site near Aberystwyth, Erwbarfe Farm welcomed us back for their last week before end of season shutdown. We re-visited old familiar lanes, Strata Florida, Happy Valley, and found some rather technical new ones with unpronounceable names. We all agreed, it was the wettest week we've had, but probably the best laning trip for a long time. Roll on 2023.

No sooner had I returned from Wales, a week later, it was gather the family together to join Si Bareham and other enthusiastic Club Members for a laning trip deep into the wilds of the Suffolk coast. All met up at Melton Railway Station at 10.00hrs, we then realised there just happened to be a bakery on site selling mouth-watering breakfasts in rolls, and also cakes for the girls. Won't say too much, just in case someone else is doing an in depth write up. But we did end up in Southwold eating Fish and Chips at the end of the day. Thanks for organising Si. Great day.

The Club 2022 Calendar is included in this Nooze. Shows are open again, but we need your help, not just driving people around show courses, but helping set up equipment, manning the entrance tent, loading and unloading and importantly getting the Show Trailer and SeeSaw to the event and returned to site afterwards. I know we have our hardcore of show attendees. The Suffolk Show as most of you already know is our biggest charity earner, and we need at least 35 people on both days with 18 vehicles to take punters round the course. With Covid still on most peoples' minds, how many of you will want punters in your vehicles? On the flipside, will punters want to ride in our vehicles. What I need from you as Club Members is to know who WILL be attending next years' shows. As a Club, we need to know as soon as possible to be able to let show organisers know whether we are able to attend or not. I think it would be a terrible loss for the Club if we were unable to attend shows and continue to have The Suffolk Land Rover Owners Clubs name in front of the public. I can't ask anymore.

Suffolk Show – May 31st – June 1st. Heveningham – 2/3rd July. Festival of wheels 6/7th August. Henham – 17/18th September.

We have members of the club that do a great deal of work behind the scenes, who do a lot to make sure the club runs smoothly. Russell and Sheila, along with Mark and Carole French who look after both club cabins, making sure they're clean and stocked with what is needed. Mark who is making sure the club radios are charged and bought to the site for our club weekends. He also makes sure the Fire extinguishers are kept up to date. Tony Mattock, who looks after our club mowers and other mechanical equipment, making sure they work when needed. Mustn't forget his wife Denise who generally mucks in when asked. Just recently, Katie Nurse who supplied cakes etc for our Children in Need weekend. These members aren't Committee Members, they just want to help our club. I would like to say, along with the rest of the Committee, a very big THANK-YOU for all you do.

Look forward to seeing you on Mince Pie weekend.

All the Best.

Pat

# Mince Pie Club Day

Come and join us for our Mince Pie Club Day on the 28th December at our Newbourne Club Site. As with previous years, Maureen and Norman will be there and provide some food for lunchtime which is always very welcome and enjoyed, especially the warm soup!!

The courses will be open for you to test your Landy out, and there is always the social aspect of having a catch up and a natter too! Scrutineering will open at 9:00, driving starts at 10:00 with a lunch break at 12:30. The day will finish at 16:00. Hope to see you there!

**Results and actions arising from Questionnaire**

MH presented a report showing the results of the questionnaire. All members should have received a questionnaire via email of which were 39 completed and returned.

Poor communication and the need for more trials were high on peoples' responses. For some, new members, 'not being made welcome' after the initial introduction to the Club was also a factor. Several members offered to get more involve and one offered to join the Committee.

There was considerable discussion about the various points raised and whilst there is no easy solution, the questionnaire has provided better understanding and reinforced some already known. A summary is to be prepared and sent to all members.

**Letters of Administration**

Information from solicitor has been obtained and passed on to Committee for evaluation.

**Events Calendar - 2022**

Changes, mostly events, were proposed for the first draft. The Club is not expecting to attend any 'off site' competitions during 2022. More TYRO's will be planned so as to encourage young and novices into Trials. Festival of Wheels and Heveningham have yet to publish dates for 2022
