Club Social Media

One of the 'background' tasks in conjunction with the website re-development is to increase our social media presence. Social media, if done correctly, can be very powerful, but equally it can be very damaging if got wrong.

MSUK now require the club to have a **'Social Media Policy'** which is being worked on. In the meantime, please check out the club account links which we can use to start building up our social media presence.

It is still the intention that the home of the club has to be the website and all other forms of media are communication mechanisms.

Please note our official web address on page 1, the https://slroc.online address is temporary.

****Trial events will be priced differently due to increased costs for sites and licences.**

****For non SLROC members, an additional £5 day membership charge applies. Day memberships are not applicable at the Newbourne Club site.**

Chat From the Chair

New & Exciting Times

Introduction

This month, the focus is all things new. We have a new event in the club calendar; we will be planning events for 2026 and advertising for new committee members to continue to take the club forward.

Stonham Barns

Thanks to everyone who came out to help with this show. Following a slow initial uptake of helpers we had a great number of members come forward, some new to shows, helping to make this event a success.

Stonham is not just about making money for our charities, it's also about the presence of SLROC as the local Land Rover club, maintaining the relationship with Stonham Barns, building links with our neighbouring clubs and hopefully gaining some new members from like-minded people along the way. If you're one of our new members that signed up at this event, then I extend a warm welcome to you.

We've achieved the goal of supporting Stonham and their developing Land Rover show for another year, for now we just watch this space and get ourselves ready for next year.

Trinity Park Fireworks

A new event for SLROC taking place on Saturday 8th Nov @ Trinity Park, although this time with a difference. We will still be providing passenger rides but starting at 3.30pm and running into the evening as an 'attraction'. This event is not one of our normal charity events although part of the monies raised will be for charity – ActivLives.

We don't really have a view on how this event will go or how busy it will be, and instead of monies raised being for our supported charities, 75% of the post expenses total will be for the benefit of SLROC and the remaining 25% for the benefit of the organisers chosen charity above.

We do need more help to run this event – it's an opportunity also to decorate your vehicle with lights and you get to watch fireworks.

To sign up, click on the link https://forms.office.com/e/mYy7UKMCZH Or email events@slroc.uk.com.

Children in Need Driving Day

Slightly different to our usual driving days, this event (weekend) has a different theme with any money raised by our members going directly to Children in Need. This may include playing some daft games, paying for recovery, raffle or simply donations made by our members. Feel free to bring Pudsey Bear along.

Committee Update

As is further outlined in this months' edition of Nooze, there are a number of roles on the committee that need filling. In part, this is due to terms coming to an end (myself & compsecs) but others where we've been 'managing' or 'trying to manage' with people doubling or trebling up on responsibilities, which clearly is not sustainable.

Acknowledging the work from many members, both on and off the committee, the club has had a very successful few years, but it does now need others to take the reins ensuring the club remains open to all who choose to be members.

In addition to our regular committee meeting in November, we are planning to meet to solely discuss the club calendar for 2026. If there is anything you'd like to see in this, please contact myself or Tim. Of course, this is dependent on having sufficient volunteers to run the events.

We had a great advocate for Cross Country at MSUK whom has unfortunately left the organisation. It would seem there are a number of staff changes occurring within MSUK which means that no doubt we'll be revisiting some of the conversations we'd held over the past few years.

That said, there are many development workshops and training opportunities through MSUK currently and we're trying to attend those that are relevant to us.

Forthcoming Events

Day into Night Winch Trial – Saturday 1st November 2025
Club Driving Day – Sunday 2nd November 2025

Trinity Park Fireworks – Saturday 8th November 2025

Camp Over & Social – Saturday 22nd November 2025
Children in Need Driving Day – Sunday 23rd November 2025

Closing

That's it, my brain is frazzled, time to spend a bit of time doing the day job although I am supposed to not be here. Life however continues to throw obstacles in the way.

See you somewhere soon perhaps.
