Club Social Media

One of the 'background' tasks in conjunction with the website re-development is to increase our social media presence. Social media, if done correctly, can be very powerful, but equally it can be very damaging if got wrong.

MSUK now require the club to have a **'Social Media Policy'** which is being worked on. In the meantime, please check out the club account links which we can use to start building up our social media presence.

It is still the intention that the home of the club has to be the website and all other forms of media are communication mechanisms.

Please note our official web address on page 1, the https://slroc.online address is temporary.

BOXFORD

Vintage & Classic Vehicle Rally

I'd just like to say a heartfelt thank you to everyone from the club who came along to support the very first Boxford Vintage & Classic Vehicle Rally. It was brilliant to see so many Land Rover's on display and I really hope you all enjoyed the weekend as much as I did. One of my main aims was to create an event where people could simply relax, catch up with friends, admire some fantastic vehicles and enjoy the atmosphere. Seeing so many smiling faces made all the hard work worthwhile.

As many of you know, the rally was organised to raise money for Suffolk Lowland Search & Rescue (SULSAR), a charity that's very close to my heart. I'm incredibly proud to say that thanks to everyone's support, we've been able to donate £5,000 to the team! For a first-year event that's an amazing achievement, and it's something everyone who attended should feel proud to have been a part of. I honestly can't thank everyone enough – our exhibitors, traders, volunteers, sponsors, the public and all of you from Suffolk Land Rover Owners Club. Your support, encouragement & kind words throughout the weekend meant a great deal to me. We are already planning next years rally, and I'd be delighted to welcome you all back for another relaxed weekend. Please save the dates, ***Saturday 3rd & Sunday 4th July 2027.***

Thank you once again for helping make the first Boxford Rally such a memorable success. I look forward to seeing you all again next year.

James Harvey – Event Organiser

TYRO TRIAL WINNER

SUNDAY

12TH JULY 2026

Hello everyone, first of all, I would like to thank all the marshals and the people that set out the courses on Saturday. As usual the lion's share of the work was done by Tony Mattack, supported by Kai Easton that stayed to help Josh, Jessie and myself in the evening when Tony and Denise went off to enjoy the live music put on by the local pub. Getting back to the point, there was a great variety of sections with the difficulty ramping up at the end gates that proved to be enough to fine out the already small number of competitors.

The morning of the TYRO trial (previously the ladies trial) started slow and stayed very relaxed throughout the day. I was talked in to competing by Josh and Ralph saying if you drive I'll drive, it didn't take much to persuade me. The first three sections were in the white course, which allowed me to build the confidence and get use to the new car. My first mistake of the day was not fully walking the course and thinking I was at the end, so I stopped and thought "well done me for clearing the section," not realising I was only at gate 3. However, this is still an improvement from previous trials where I will quite often get lost completely! I did a few recoveries in the following sections where the big heavy D4 and D2 with tow bars decided to belly out and go no further.

Lunch was a great time to chat and catch up with members we hadn't seen for a while. After lunch, we eventually got back out on course and started in the black. This is where it went wrong for a few competitors. Ralph in the double driven D4 decided to drive off and not complete the course handing the inter Mansfield competition to his son Adam. When Adam had his turn, he looked like he wanted to go through the finish line and not just hub it like everyone else and with that decision the D4 front cv joint decided to grenade, taking them both out of the competition. Heading over to the sandbox we call the "winch hill" there were two more sections to go. Jessie and I were talking about not hitting gate 9 due to the off-camber corner and it grabbed her tyres and sent her into gate 9. After that the blinkers went down and she aced the whole section at some speed. Section 10 was so loose it was a point and try and hold your line until you get to the top. I was the most surprised out of everyone that it worked for me.

SCORES

1ST	Justin Read	15pt
2ND	Josh Short	27 pts
3RD	Jessie Green	33pts
4TH	Adam Lambourne (Retired Section 9)	35pts
5TH	Ralph Lambourne (Retired Section 9)	46pts

After having help from some of the spectators with collecting all the numbers and canes, I was graced with the trophy no one wanted but as it was my first win, I will greatly receive it and proudly display it for the year in my garage where I have been told I can put it by the wife.

BUILT FOR Adventure ..... AND ..... Prom !!!

ADVENTURES OF MUD THE DEFENDER!

I had the pleasure of taking my niece Millie to her year 6 prom (yes, year 6!)

It may have taken me all day to clean him up, but after seeing and hearing the children's reactions when I arrived at the prom made all the hard work worth it!

I don't think he scrubbed up too bad !
